MEDIA RELEASE

NEW FOUR-YEAR PARTNERSHIP FOR REX AIRLINES AND MURWEH SHIRE COUNCIL

Rex Airlines today announced a new four-year partnership with Murweh Shire Council supporting flights in and out of Charleville.

The agreement will see the partnership reach new heights, with Rex and Murweh Shire council delivering even better benefits to the shire's community. Registered residents will have access to a less restrictive Murweh Residents' Fare priced at only \$179* one way from Charleville to Brisbane and \$358* for return trips.

Rex Deputy Chairman, the Hon John Sharp AM, said: "The partnership has gone from strength to strength since Rex took over flying the Queensland Government Regulated Central 1 route in January 2022.

"We are delighted to enter into a partnership that delivers certainty for both parties and supports the local community. We look forward to working together to encourage more people to visit Charleville and surrounding areas."

Murweh Mayor, Shaun (Zoro) Radnedge, said, "Council is happy with the service Rex Airlines offers our community.

"We enjoy working with Rex as they have listened to our concerns and responded with affordable, reliable and regular flights for our community," the Mayor said.

"It is because our council is working collaboratively with Rex that we are able to bring more benefits to our local community - the opportunities are boundless.

"We thank the team at Rex and look forward to their ongoing support as they continue to play a key role in the growth of our region," Mr Radnedge said.

The Murweh Residents' Fare will be on sale via Western Travel Service in Charleville from 1 January 2023.
