**MR CHRIS FOLEY MP**  
**STATE MEMBER FOR MARYBOROUGH**

1 August 2007

I congratulate Maryborough City Council and REX Airlines on the introduction of this new air service to Maryborough.

Having an airline that can service the Maryborough – Brisbane route will certainly be welcomed by the community, businesses and the many government departments that service our area. It also provides a much closer transport facility to constituents from Howard, Woocoo and Tiaro.

I have personally experienced the severe inconvenience of not having an airline that can help get me to my Parliamentary commitments.

Our city will benefit greatly by having REX Airlines provide a regular passenger service in and out of Maryborough, and this will benefit and help attract business to our city and to the airport.

I join the many other citizens who are thankful to the Council for securing the return of an airline service back to Maryborough and I look forward to travelling on REX Airlines shortly.

Kind Regards

Mr Chris Foley MP  
State Member for Maryborough
